

Johnson County Library, March 2024 Annual Quilt Display

In 1992 the National Quilting Association first designated the third Saturday of March each year as National Quilting Day to honor quilt makers and to recognize the many contributions they make in promoting and preserving the art of quilt making. The library, with the assistance of volunteers, will display quilts for the month of March. Each quilt will be identified by maker, pattern and date, if known. Quilts will be handled with great care. Quilts will not be for sale. Please fill out the Loan Agreement Form below. Due to space restrictions, please bring only one quilt to display. However, if a sufficient number of quilts are not on hand for the display, the Buffalo Quilting Gals may request additional. Quilts are placed according to size and order of receipt, and Johnson County residents are given preference.
